

September 2015
Year of Consecrated Life

Dear Brothers and Sisters in Christ,

Enclosed, please find a very compelling DVD entitled, “*Miracle of Life.*” This beautiful video does a great job of emphasizing the sanctity of human life by weaving together science and scripture. As you will see, the message is poignant, impactful and concise and is just over three minutes in length.

I am personally reaching out to you as pastors as well as to your human concerns leaders to encourage you to show this video within your parish sometime during October, Respect Life Month, and consider preaching on this topic at parish Masses one weekend.

This material is being provided by Catholics 4 LIFE, an organization within the Archdiocese of Milwaukee whose work I support. Their mission is to be a resource to you and your parish’s Respect Life/Human Concerns committees. Feel free to reach out to them directly at www.catholics4life.org for more information.

With assurance of prayers, I am,

Sincerely yours in Christ

Most Reverend Jerome E. Listecky
